WELCOME TO THE LATEST ADDITION TO THE LEISUREPLEX FAMILY

Leisureplex are delighted to announce that they have today exchanged contracts for the purchase of their 18th hotel, the Seabank Hotel in Porthcawl, South Wales.

Demand for this outstanding hotel with breathtaking seaviews from almost all the bedrooms is expected to be great, so Leisureplex are inviting early expressions of interest from Tour Operators and Group Organisers for 2010 and 2011.

Standing on the seafront in beautiful Porthcawl, with spectacular sea views, the Seabank Hotel is the perfect location from which to explore all that South Wales has to offer with a wealth of excursion opportunities, including Cardiff, Swansea and the Gower and the perennially popular Tenby.

Guests may choose from two Blue Flag beaches whilst golfers can enjoy the Royal Porthcawl Golf Club - often described as the finest course in Wales.

The Seabank Hotel will offer the same quality service and attention to detail that guests look forward to across the entire Leisureplex Hotel portfolio
